

2020 CACREP Vital Statistics Survey

Rhode Island College

Masters of Science Clinical Mental Health Counseling

Rhode Island College is a public institution in the North Atlantic Region. We have one program accredited under the 2009 CACREP standards – MS Clinical Mental Health Counseling (60 semester hours). CACREP national accreditation for the program extends to 2024. This survey is to be completed by all CACREP-accredited programs and must be publicly reported in a program outcomes report for the program website.

Current students enrolled in 3-year program = 73

Graduates from program in 2020= 14

Completion rate of students in program = 93%

% of admitted students who graduate from the program in the expected time period (3-4 yrs)

Licensure examination pass rate of students graduating from program= N/A

Students completing program must complete 2000 hour post Masters in 2 years before sitting for exam.

Job Placement rate of graduates seeking employment = 100%

100% of 2020 MS graduates reported that if they were seeking employment in mental health post- graduation they are working in mental health locations. Sixty three percent of interns continued as employees at their sites after graduation.

Number of applications for program in 2019/20 = 40

Applications received in 2018/19= 30
