

Rhode Island College
Feinstein School of Education and Human Development
Credential Review Pathway
Evidence Overview

This form highlights the evidence supporting your application for credential review. For the CRP application in CollegeNET, you will be asked to submit this form and additional information.

For initial credential review, you will need to submit, at minimum, transcripts, documents showing teaching experience in the desired certification area, and certification showing your status as a current or previous educator. Upon completion of the credential review process, you will receive a Plan of Study identifying your actions needed to apply for full certification with RIDE.

1. REQUIREMENTS SCREEN

Please confirm that you meet all of the requirements for the CRP pathway:

The minimum requirements are:

Yes/No

You are a current or previously certified educator.	
You earned a bachelor's degree with a minimum GPA of 3.0.	
<p>You have extensive teaching experience in the desired certification area.</p> <p>Extensive teaching experience is defined by achieving one of the following:</p> <ul style="list-style-type: none"> · A full semester of supervised student teaching in the desired certification area <p>OR</p> <ul style="list-style-type: none"> · 270+ days of full-time teaching in the desired certification area. Work experience as a teacher assistant does not count. You need to be fully in charge of the class. <p>OR</p> <ul style="list-style-type: none"> · Expert Residency or Emergency Certification. This experience can be included as one of your action items on your CRP Plan of Study. 	

NOTE: If you cannot answer yes to the 3 minimum requirements, you are not eligible for CRP. A graduate program or certificate program may be a better fit as you pursue full certification. Please contact CRP@ric.edu for clarification or program options.

2. STATEMENT OF PURPOSE

Describe why you are seeking Credential Review. (250 words or less)
