Fact Book 2019-2020

Fact Book, 2019-2020 Introduction

We are pleased to present the 2019-2020 Fact Book. This document continues to serve as a source of *official* data about all facets of the college—admissions, enrollment, finances, faculty, etc. When you need statistical and other kinds of factual information about RIC to report to an external agency, to support college/departmental/unit planning, or simply to fulfill your curiosity, we ask that you consult the Fact Book first.

As comprehensive and detailed as the Fact Book is, we know it will not answer every question you may have about the college. Accordingly, we are able to provide additional information on an ad hoc basis, as time and resources allow. In addition, we are always open to suggestions on how we can make the Fact Book more reflective of the data needs of the Rhode Island College community. We see this as an evolving document.

Finally, we would like to thank the many offices and individuals that help us to prepare the Fact Book each year by providing us with information, verifying the accuracy of the data that appear in the document, and making suggestions for improvement. We would like to acknowledge the contributions of the following and their staff:

Carissa Delizio, Adams Library
Robert Eaton, Budget Office
Kevin Fitta, Capital Planning
Scott Gibbons, Athletics
Stephen Nedder, Controller's Office
Nadia Petrovic, Office of Sponsored Programs
Karen Rubino, Web Communications
Marcia Selinger, Alumni Affairs
Michael Smith, President's Office
David Toms, User Support Services

A special thanks to Lawrence McGill, our former Graduate Assistant, for all his work in preparing the Fact Book over the last three years. We hope this experience is helping him in his new full-time institutional research position!

Office of Institutional Research & Planning,
September 2020

*Transfers only includes traditional transfer students; Re-admits and second bachelor degree students are not included in these totals.

**These are official enrollment numbers. Numbers may differ from what is presented in some external reports, which have certain exclusion criteria that have to be followed. In some cases, sum of the 'Male' and 'Female' columns will not equal the 'Total' due to students who do not identify with the traditional gender categories.

***Starting in fall 2019, the reduced out-of-state rate became available for students in all New England states and the New York City metropolitan area.

****Rates based on cohorts entering six years prior; for example, 2019/20 6-year rate is for students who entered in Fall 2013.

Organization

Mission Statement

As a leading regional public college, Rhode Island College personalizes higher education of the finest quality for undergraduate and graduate students. We offer vibrant programs in arts and sciences, business, and professional disciplines within a supportive, respectful, and diverse community. Dedicated faculty engage students in learning, research, and career attainment, and our innovative curricula and co-curricula foster intellectual curiosity and prepare an educated citizenry for responsible leadership.

Vision Statement

Rhode Island College will be recognized as an outstanding institution of higher education that is valued for high-impact programs and educational practices that prepare Rhode Island's diverse population; for meaningful learning experiences that foster student retention and completion and support professional development; and for its partnerships that strengthen undergraduate, graduate, and co-curricular programs. The college will be known for the expertise and leadership of its faculty, students, and alumni; for its adaptability to the changing social and economic environment; and for its collective impact on Rhode Island's economy and culture.

**Excludes those who took the new version of the SAT.

***SAT scores submitted in 2017 and later are not comparable to those of earlier years, as the College Board modified the scoring methodology for the test.

Note: Evidence-Based Reading and Writing scores are identified as ERW. Out-of-State includes all out-of-state students including those classified as MTP/NEBHE/NEN. Starting in 2019, the former MTP program was expanded to include all of New England and the New York City metropolitan area and was re-branded as the Northeast Neighbors program (NEN).

**Information on parental educational attainment is derived from the Free Application for Federal Student Aid (FAFSA). Only students who submitted a FAFSA are included in this total. Therefore, percentages in this table are based on undergraduate students who completed a FAFSA, not on all undergraduate students. Roughly 80% of RIC undergraduates complete a FAFSA.

*Includes first, second and intended majors.

***"Unknown Concentration" includes students whose concentration is missing, students in a major that does not require a concentration, and students who have a concentration that does not match their majors. Due to data inconsistencies, it is not always possible to distinguish between students whose concentration is missing and students in majors that do not require a concentration.
