

COGE report to UCC  
November 19, 2021

Ongoing activities:

1. COGE has met three times this semester, 9/21, 10/23. And 11/19.
2. Math 139 proposal to re-imagine curriculum was unanimously approved 10/23
3. Ongoing discussion of Student Survey data began in September and is ongoing.
4. COGE is currently drafting a report to the Provost of COGE activities and recommendations since the committee began its review of the general education program. See minutes for 11/19 for more on COGE's next steps.
5. Assessment of general education has been paused until the contract MOU has been addressed. The Provost has formed committees to work on the issue. Meetings begin in December.
- 6.

Respectfully submitted,
