

Introduction

Thank you for participating in RIC's Survey of Undergraduate Alumni, One-Year Out. The purpose of this survey is to help the college better understand how recent graduates are doing. The survey asks about your employment, education, and other activities since graduation and provides an opportunity for you to evaluate your experiences at RIC. We would appreciate your honest responses to these questions.

Survey completers will be entered into a drawing for one of twenty-five (25) \$25 Amazon gift cards. To qualify, please fill out the survey and provide your name and contact information at the end.

Please know that your answers will not be publicly associated with you in any way; they will be combined with the responses of other respondents and released in the aggregate.

If you have any questions about this survey or how the data may be used, please contact Dr. Christopher Hourigan in the RIC Office of Institutional Research and Planning at (401) 456-8998.
